Did you know?

- Many of our wrestlers join us on the mat after playing basketball for their middle school. (Practices start January 22nd, the week of MLK Jr holiday, with the competitive wrestling season running from 3rd week in Feb through end of March)
- Many wrestlers are first introduced to the sport in middle or even high school--it is never too late to give it a try!
- Both boys and girls wrestle. UMaine Women's team placed 3rd at the NCWA national championship in 2018!
- Many college and pro football players credit their football success to lessons they learned on the wrestling mat, including mental toughness and personal accountability.
- Wrestling offers the best possible conditioning so when the mud clears, you'll be in shape and ready for track, baseball, softball, lacrosse, ultimate frisbee, golf....

NOTE: Any requests for assistance with additional costs such as shoes & headgear requires a separate application and must be received by a coach or Bangor Area Wrestling Board member no later than January 31st. Our vision is that all school aged athletes wishing to wrestle have resources and support to thrive on and off the mat.
